#### Sanctions

Any student who brings a weapon to school shall be brought by the Superintendent to the School Board for an expulsion hearing.

A student found by the Board after a hearing to have brought a weapon to school shall be expelled for at least one calendar year. However, the Board may modify the expulsion on a case-by-case basis when it finds circumstances such as, but not limited to:

1. The student was unaware that he or she had brought a weapon to school.
2. The student did not intend to use the weapon to threaten or endanger others.
3. The student is disabled and the misconduct is related to the disability.
4. The student does not present an ongoing threat to others and a lengthy expulsion would not serve the best interests of the pupil.

An expulsion hearing conducted under this policy shall afford due process as required by law. In addition, any student who brings a weapon to school shall be referred to a law enforcement agency.

As required by state law, the Superintendent shall annually provide the Commissioner of Education with descriptions of the circumstances surrounding expulsions imposed under this policy, the number of students expelled and the type of weapons involved.
